

All are invited to a special Lunch and Program beginning at 12 noon in the Auditorium of our Church House, Sunday February 5. Following a chili lunch with all of the trimmings, we will learn about the state of HOMELESSNESS in Monmouth County and how to prevent it.

Featured in the program are Shanna Goldstein - outgoing Executive Director of Family Promise, a church-based shelter system for intact families, Phil Welch Jr. - Family Promise Board member and leader of the Monmouth A Team, advocating for more housing that is affordable in Monmouth County and Linda Zucaro - Monmouth A Team Chair

By attending you will learn a great deal about our homeless , how they are served and what is needed to overcome this social condition. The entire program will end in time for everyone to be on their way home by 2 PM (to get ready for the Super Bowl !)

(Those not members of the Congregation are cordially invited and asked to call the Church Office (732 8747-3557) if planning to attend.)

Presented by Church & Society, with help from Deacons, the Men's Group and certain outstanding individuals.
